Personal Statement

With my background in Graphic Design my current objective is to gain as much experience as possible in the world of Design by taking part in internships, freelance work, part time jobs and personal endeavors. I am currently studying to earn a Bachelor of Fine Arts (BFA) in Graphic Design at Purchase College, State University of New York. My main career objective is to eventually succeed as a Graphic Designer, Art Director, Web Designer, Advertising Artist, Type Designer or all/any of the above.

Experience

Ditto! Design and Duplication / October 2008 - Present

Junior Graphic Designer / Graphic Design Consultant

To offer advice and provide additional help within the realm of Graphic Design and software utilization, as well as working on/off site to ensure that all projects are executed in a timely and orderly fashion.

Purchase College Association / November 2008 - Present

Web Designer

To create and maintain the Purchase College Association's website as a means to inform the Purchase College campus community about how the PCA is affecting their life.

Pepsi Bottling Group / November 2006 - November 2008

Web Designer

To create and maintain the Finance Department's numerous websites and take client phone calls in order to offer support in using these websites.

Purchase Student Government Association / November 2007 - May 2008

Web Designer

To build a functional website for the Purchase College community to use as a means of getting involved within the Purchase Student Government Association.

Big Buzz Communications / February 2003 - December 2004

Web/Graphic Design Intern

To create, update, edit and develop websites for numerous clients while taking client phone calls and attending business meetings to better understand how a boutique web design company functions on an everyday basis.
